

Health, Comfort, Economy

It is absolutely essential to your health and comfort that you have a refrigerator that can easily be kept clean and fresh. It is only a refrigerator with a perfect circulation of dry air that is never damp and ill smelling. We give our guarantee with every refrigerator we sell. More cold with less ice is what we

claim.

An appetizing feast of the most attractive popular vocal and instrumental successes. There's something for every taste; from Hawaiian seductiveness to rollicking ragtime.

What Does This Sign Mean to You?

It Hangs Outside of Our "Exide" Service Station

HERE'S WHAT IT MEANS:

First. An honest deal and a toorough deal. The cornerstone of "Exide" Service is "solving the individual motorist's individual hattery problems." No detail that can help in the attainment of this end is overlooked in "Exide" Service.

Second. An impartiality of service. You do not have to be the owner of an "Exide" Battery in order to benefit by "Extoc" Service. This service is thoroughly equipped to care for, repair and maintain any make of starting, lighting and ignition battery as conscientiously as though it were an Exide."

Third. I service that as a real service. "Exide" Service knows no "easy ways," no "patchy methods." It is honest, effective, prompt and dependable; but most of all, it is thorough. From simple test to difficult repair, it gives the best that is in it—100 percent straightforward knowledge and workmanship.

Fourth. That we are the local distributor of the "Exide" Battery, made by the largest maker of storage batteries in the world. It is the battery every feature of which is service proved by long years of practical road work all over the country, the "battery that costs most to make, but least to use," because it is built throughout on a QUALITY basis.

There's an "Exide" Battery for Every Car
